

# EXCEL-LOW ODOR STRIPPER

## Product Description:

Formulated for quick removal of a variety of floor coatings. Fast penetrating and emulsifying action reduces stripping time by up to 50 percent. This hard working non-ammoniated stripper is safer and faster to use than conventional strippers. The low odor formula makes it ideal for all environments including medical facilities.

## Features:

Fast penetrating and emulsifying action reduces stripping time by up to 50%. Non-ammoniated. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

## Specifications:

Color:	Red
Odor:	Low Odor
pH:	12.5
Physical State:	Liquid

## Available In:

5 Gallon Pails	Item# 98PEX05
30 Gallon Pails	Item # 98PEX30
55 Gallon Pails	Item# 98PEX55
4x1 Gallon Bottles	Item# 98PEX0G

## Directions:

- Floor Dust mop or sweep floor area.
- With Prepare solution in the following ratios: light build up: 32oz per gallon of water, medium build up: 48oz per gallon of water, heavy build up: 64oz per gallon of water.
- When using on asphalt tile, first test solution in an inconspicuous area.
- Apply liberally without flooding with mop or auto scrubber. Do not allow solution to dry. Apply more stripper solution if drying occurs too quickly.
- Neutralize/rinse floors.

## First Aid:

Inhalation: Remove to fresh air. Skin: Wash with soap and water for 15 minutes. If irritation persists, consult physician. Internal: If ingested, drink large amounts of water or milk. Seek medical attention promptly.

## Storage:

Use only containers and equipment designed for alkali services. Product may be disposable in sewers if neutralized and if local regulations permit. Otherwise, send to a licensed treatment facility. Rinse empty containers before handing and disposal. In an enclosed area, ventilate in any suitable manner.
