

TROPHY-21% URETHANE FORTIFIED FINISH

Product Description:

Use with all floor care systems: spray buff, high and ultra high speed burnishing. Excellent for difficult to maintain floor areas. Eliminate need for frequent stripping and recoating.

Features:

Resists scuffs, scratches, black marks and dirt. Wet look shine. Eliminates the need for frequent stripping and refinishing. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Specifications:

Color:	White
Odor:	None Added
pH:	8.7
Physical State:	Liquid

Available In:

5 Gallon Pail	Item# 98PTR05
30 Gallon Pail	Item# 98PTR30
55 Gallon Pail	Item# 98PTR55
4x1 Gallon Bottles	Item# 98PTR0G

Directions:

Floor must have 3-4 coats of a high quality floor finish to provide a good base. Make sure floor base is fully cured before applying. Prior to usage, it is very essential that floor is clean of all loose soil so that dirt is not embedded in floor. Using a trigger spray or other suitable device, apply undiluted as a fine mist in a small area directly in front of the floor machine with buff pads and buff to a lustrous shine. Use as a regular floor care program to reduce the frequency of recoating while maintaining a wet look.

First Aid:

Inhalation: Remove to fresh air. Skin: Wash with soap and water. Eyes: Flush with water for 15 minutes. If irritation persists, consult physician. Internal: If ingested, drink large amounts of water, induce vomiting. Seek medical attention promptly.

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials, food and drink.
